

# New High School Graduate Bursary Application

---

I, , wish to apply to the Centre for Distance Education (CD-ED) to receive the New High School Graduate Bursary, in the amount of \$1000. I acknowledge that I have graduated from a high school in Canada and that I meet CD-ED's entrance requirements to be eligible for this bursary. Furthermore, I acknowledge that if accepted to the college, I must start a CD-ED diploma program within one year of earning my high school diploma to receive the bursary. I also understand that CD-ED may grant this award as a tuition credit only, with no cash value.
